

What is Mappen?

MAPPEN is an online curriculum and professional learning solution for Australian primary schools. It provides teachers with 32 expertly crafted integrated units plus built-in professional learning. Mappen guarantees:

- An expertly sequenced guided inquiry curriculum
- A guaranteed and viable curriculum
- An established 2-year scope and sequence
- Accessibility everywhere

Expertly sequenced guided inquiry curriculum With the support of rubrics, each unit is expertly scaffolded towards a rich assessment task.

Before they begin each unit, MAPPEN students are immersed in the real world application of what they will be learning. Students complete a pre-test to assess their understanding and skills and develop questions to be answered during the unit.

Students are explicitly taught new terminology relating to each unit and where appropriate they learn writing, reading and communication skills, and mathematical concepts.

A guaranteed and viable curriculum

Units are regularly updated to ensure they meet the latest mandated standards. We are always working to improve the clarity and practicality of our units.

MAPPEN guarantees coverage of the mandated standards in the following areas:

- History
- Geography
- Civics and Citizenship
- Economics and Business
- Science
- Critical and Creative Thinking
- Ethical Understanding Capability
- Personal and Social Capability
- Intercultural Capability

MAPPEN also includes logical integration of literacy, numeracy, and technologies.

A set scope and sequence of teaching:

2017	Term 1	Term 2	Term 3	Term 4
Years 3 & 4	The Game of Life	Looking Backwards and Forwards	Money Makes The World Go Around	Why? Why? Why?

Accessible everywhere

Teachers can access MAPPEN on a PC, laptop, tablet or phone with an internet connection. A replacement teacher can access MAPPEN to ensure the continuous and consistent delivery of the curriculum.
